PRICE LIST

ALL PRINT SALES ARE MADE IN PERSON WITH THE BUYER AT THE GALLERY.

All Silver Gelatin and Archival Pigment prints are made and mounted with archival processes and materials. Palladium prints are on archival watercolor papers that work best with the NA² process.

Palladium prints are all on hand coated watercolor papers. By nature they are all contact prints made either from an original negative or an enlarged negative made by digital means.

| Print Size | Silver or Digital print | Palladium print (NA2) |
|---|-------------------------|-----------------------|
| 4x5 to 5x7 original negative contact prints | \$195 | \$295 |
| 8x10 | \$395 | \$495 |
| 11x14 | \$495 | \$595 |
| 16x20 | \$595 | \$795 |

Above prices include frames and mattes. Subtract \$50.00 for matted only. Frames are Nielsen type black metal. Silver and Archival Pigment prints are dry mounted. Palladium prints are hinge mounted.
